Text

To submit custom text, we prefer you use the personalization form available on our website. If you are including Hebrew text in your personalization we require the form be used to minimize mistakes and expedite the process. Simply enter the text as you want it to appear and fax or email the form to us.

Images

We will be happy to incorporate images/logos into your personalized piece. There will be a **\$10** art charge added. You are responsible for providing us with usable artwork. This means it needs to be at least 300 dpi when scaled to print size and single color, preferably as a JPG or TIFF. If your image needs any more than minor editing (up to the discretion of our personalization department) to create a quality silk-screen, there will be an additional minimum **\$50** art charge added.

Colors

Our standard glass plates are done in cobalt blue and cranberry. A custom colored piece of glass will be a minimum \$50 charge.

Direct Screening

We can silkscreen directly onto some products' existing glass, such as the front of a Tzedakah box. In most cases this will be a \$25 charge.

Shipping

Important - For any personalized or custom order please allow up to two weeks after approval of proof to ship. If a personalized item is needed in a week or less, there will be a **\$25** rush charge and you must agree to pay any expedited shipping fees should they be necessary. Please note that depending on our schedule, we will not always be able to accommodate rush requests.
